

HAPPY BIRTHDAY

Dear Parents and Students,

We are excited to celebrate birthdays/half birthdays (for summer birthdays) in our class this year. If you would like to share something with the class, you are welcome to bring a book to share. You may donate the book to our class library in celebration of your birthday, or just read it with us. You may bring the book to school and I will read it to the class, or a parent may come to school and read it to the class. Please let me know what you would like to do. Due to allergies and other concerns, we will not be having any kind of birthday treats/prizes in kindergarten this year. Thank you for your understanding.

Sincerely,

The Kindergarten Team
